

GAIN THE DATA SKILLS AND KNOWLEDGE TO MAKE A DIFFERENCE

MASTER IN PUBLIC POLICY

THE MASTER IN PUBLIC POLICY is an interdisciplinary degree offered jointly by the Departments of Economics, Political Science and Sociology and the School of Public Administration at The University of New Mexico.

BUILD a foundation of core competencies, including econometrics, public finance, politics, organizational behavior, ethics and diversity.

CHOOSE a complementary policy area.

PARTICIPATE in policy seminars that allow for student collaboration, integration with the local policy community and the inculcation of professional values.

TRAIN in UNM's Evaluation Lab to gain hands-on experience and make a difference in the community.

WHO SHOULD APPLY?

Those with intellectual curiosity, passion for problem solving and dedication to community service. Members of underrepresented communities are strongly encouraged to apply.

WHAT SKILLS DO I NEED?

Basic statistics, strong analytical skills and the ability to work well with others.
